Angell, Mr. P. Vere (Secretary).

STET FORTUNA DOMUS.

REPORT FOR THE YEAR 1928.

THE House Committee of the Tenby Cottage Hospital present herewith to their subscribers and friends their 58th Annual Report.

The year has shown many important innovations and changes. Early in the year the Householders' Box Scheme was inaugurated, which, thanks to the committee, with Mr. Coles as President, and Mr. Vere as Hon. Secretary, has proved a success, benefitting not only the Hospital but many of the Boxholders. The accounts are given separately. The number of patients admitted under this scheme during the year is 42.

The next step forward was the new Wing, which was started in April and finished by October. The Building Fund Accounts are shown separately. All donations and subscriptions have been acknowledged in the press, and the House Committee take this opportunity of once again thanking all who so generously helped. Their special thanks are due, however, to Mr. Glover Thomas, the architect, who gave his services free, and to Mrs. George Thomas, for her great interest and generosity, and for opening the new wing. The Committee's thanks are also due to Messrs. P. Howells and Hearnshaw, who did all they could to make the new building a success. Thanks to this new wing, the nursing staff is now properly housed. The Hospital has two private wards in the place of one, a maternity ward, and a special children's ward. The maternity ward was occupied in November, and it is hoped that it will prove of great benefit to Tenby and district.

The Committee announce that the Matron, Miss Pearce, resigned at her own request last August. Her place has been filled by Miss Jarvis, who is proving herself efficient in every way. It is hoped that she will remain as Matron for many years.

The Staff of the Hospital has been increased during the year. An extra staff nurse has been engaged, and an extra maid. The services of the charwoman has been dispensed with.

The House Committee have decided, from April 1st next, to take over the work of the District Nursing Association, and run the District Nurse from the Hospital. This is being tried as an experiment for one year, under the following sub-committee :—Dr. Charles Mathias (chairman) ; Mrs. Ramsden (hon. secretary) ; Mrs. George Thomas, Miss J. Harris, Mr. H. F. Berry.

The Committee's sincere thanks are due to Mr. O. E. Stephens for his kindness in arranging and auditing the accounts.

Hospital Week proved more successful than in former years, and it is hoped that the residents of Tenby and District will make a special effort in 1929 Hospital Week and assist the Committee to completely pay off the outstanding debt on the new Building Fund, and thereby release the generous anonymous guarantor, to whom the Committee are deeply grateful.

The work of the Hospital increases year by year, and the Committee wish to thank all subscribers, donors, helpers, and the proprietors of the Press for their ever-ready help and generosity, without which the work could not be carried on ; but they particularly wish to thank the Medical and Nursing Staff, whose work has been by no means light, and most praiseworthy. During the year there has been complete accord between them and the House Committee.

Copies of this report are available for any who may be interested in the work of the Hospital, and it is hoped that Subscribers will, as occasions arise, endeavour to create amongst their friends a deeper interest in the work and welfare of the Hospital, and thus add to its support.

The House Committee welcomes criticisms and suggestions from any quarter, which would tend to improve the working or further the interests of the Hospital.

During the year 19 patients passed through the Hospital free of charge.

REPORT ON PATIENTS.

	1927.	1928.
Total number of Patients Treated.....	141	181
Number Cured	126	163
Number of Deaths	11	8
